hi!

STEVEN ENGLISH

As a trained facilitator, he specializes in helping introvert leaders find their own voice. He's our sole trainer of the Five Behaviors model.

CliftonStrengths

- Harmony
- Woo
- Futuristic
- Individualization
- Empathy

BIO

As a former engineering manager, he knows both the hard and "soft" side of leadership. Throughout his 22 years in engineering, Steven also served as a trainer to Fortune 500 organizations as well as influencing and managing company-wide change management activities.

He is a trained Facilitator, and he founded multiple Toastmasters public speaking clubs. Steven helps leaders find their voice so they can communicate and leave a positive impression without having to pretend.

Steven has served over 150 one on one coaching clients in addition to corporate clients such as BlackLocus (Home Depot Innovation Lab), James Edwards and Companies, and Austin Pallet Company.

Education Highlights

Master's Degree in Materials Science

Bachelor's Degree in Physics

ICF Professional Certified Coach
